Description

Photos coming shortly, but listing is too hot to keep quiet! 41 acres of already cleared land in the up and coming, highly desired Gilbert zip code in between Lexington and Leesville, which is quite possibly the fastest growing area in all of South Carolina, and definitely the fastest growing area in Lexington County! This land is on a paved road, plenty of road frontage, has power at the road, and can be well and septic for a private builder looking to build farmhouse or homestead oasis, or a builder can look into running public utilities to the property for a quaint rural project! This is honestly such a rare find of farmland that has been passed down from family land and now available on the open market. Lexington One Schools, Gilbert High School, just minutes from Lexington, the new Target coming to Gilbert, moments from restaurants on Highway 1 in Gilbert and Lexington, and close to all your small town needs in Leesville to include home decor stores, antique shops, coffee shops and honestly so much more. Come grab your piece of paradise! Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
