Features

Description

Build your next home in Lake Dogwood on this level, unimproved lot with just over .85 acres of land. This property offers a rural setting with room to spread out, while still being convenient to several major Midlands military and employment centers. Lake Dogwood is known for nice homes and access to the 135-acre Murray Pond, where residents can enjoy fishing and boating. The location is tucked behind Fort Jackson and close to McCrady Training Center, McEntire Air National Guard Base, and an easy commute to Shaw Air Force Base. Whether you are looking for a homesite, a quiet rural setting, or land near key military installations, this lot offers a great opportunity in an established lake community. Please verify all property information, restrictions, utilities, lake access, and intended use. Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
