Description

2 separate lots of 4 acres and 2 acres to be sold together as 6 acres. The two tracts are each located on the same street in the Centerville Community of Ridgeway. Both parcels are wooded with a mixture of mature oaks and pines. Each has paved road frontage on Park Road and would require a well and septic system for utilities. There are areas on both tracts that are ideal for a homesite and are perfect for new construction. The topography varies, and a seasonal drain passes through the properties. These lots are located in a friendly, rural area of eastern Fairfield County. No HOA! The owners will only sell these tracts as a combination.
