- Corner Lot
- High

Description

This is an incredible property just outside of the Town. There;s over 900' of road frontage on Richardson and over 300' on Owens Dr. There's tremendous potential here!! There's two house's on the property, an office building that could be converted to a house, an old barn and a huge metal garage. This property would be perfect to build more homes on. The value is in the land.
