Description

Double the opportunity in Georgetown! This approximately 0.12-acre lot is the far-left parcel of two adjoining lots currently available for sale, with each lot offering approximately 0.12 acres. Buyers may purchase this parcel individually or consider purchasing both lots for a combined total of approximately 0.24 acres. Located just blocks from historic Downtown Georgetown and near an established four-unit residential investment property, the land offers an opportunity to explore additional residential possibilities. Previous marketing identified the lots as possible sites for additional residential development. Buyers should independently verify current zoning, density, utility availability, permitting requirements, and intended use with the appropriate authorities.
