Description

This is a to be built home- The Atkinson covers 1,347 square feet on one floor, with three bedrooms, two full baths, and a two-car garage. Aristokraft cabinets with hardware in the kitchen, with either granite or quartz countertops and GE Stainless Steel Appliances. The kitchen opens directly into the dining area and family room, and includes LVP flooring throughout and carpet in the bedrooms. Split floorplan, Two secondary bedrooms and a shared bath sit near the front of the home, while the primary suite holds its own corner at the rear on opposite side of home complete with a walk-in closet and private bath with linen closet. The covered patio off the back extends the living space outside, giving a comfortable place to unwind once the day winds down. A walk-in laundry room sits just off the garage entrance. A few notable included features are Exterior flood lighting in the back of home, fully sodded yards with landscape package, full yard Irrigation system, and Gutters! This home is not built yet and is an example of what can be built at the starting base price. Photos are of an artist's rendering, previously built home and/or a furnished model home.
