Description

Escape the traffic, crowds, and HOA restrictions with these scenic rural lots in the Hartsville area of Darlington County. Set in a quiet, friendly country setting, each tract presents a great opportunity to build a home and enjoy plenty of room for recreation. Lot 1 features approximately 2.5 acres of open field with clear frontage on Tema Road, while the remaining 13.3 acres consist of naturally regenerating pines. The combination creates an ideal setup for a new homesite with ample acreage left for hunting, recreation, and enjoying the outdoors. Surrounded by scattered country homes, timberland, and large tracts of rural property, these lots have the privacy and space that are increasingly hard to find—without being far from town. New homes must be a minimum of 1,200 square feet and built on-site, and barndominiums are permitted. Enjoy peaceful country living while remaining within easy reach of everyday conveniences—approximately 10 minutes from Hartsville, 15 minutes from I-20, 20 minutes from Darlington, and 25 minutes from Florence. If you're looking for buildable acreage in a peaceful rural setting with room to roam, these Hartsville-area lots are worth a closer look.
