Description

Looking for a place to put down roots in Bowman? This approximately one-acre wooded lot sits just off Highway 178 in a quiet rural area. Keep some of the trees for privacy as you plan a home that fits the way you want to live. Residential zoning permits either a manufactured home or a site-built home, and there's no HOA to govern your plans. You'll have access to I-26 and I-95 for trips to Orangeburg, Columbia, and Charleston, with a peaceful setting to come home to. Walk the property and see what you could make of it.
