Description of property at 405 Kingsman Lane:

Want to reduce your carbon footprint? 405 Kingsman produces 27% of the electricity it consumes, and this home's lot is mostly wooded, with mature trees to help feed us all oxygen. In addition, this beautifully updated home is ready for you to move right in! Neutral colors in the main areas, recent flooring and granite, and a brand new HVAC unit! Open floor plan downstairs allows you to flex the space as you need it most - with a good sized dining area, or an office or expanded living room, if preferred. Half bath downstairs is convenient for company. The back door opens onto a spacious patio overlooking a wooded backyard that provides lots of privacy for the home during summer months. All upstairs bedrooms keep everyone close by at night, and laundry is central to the beds and baths. On top of the home, solar panels generate power for your home and reduce your utility bills significantly. Just two lots away, the community pool provides maintenance free recreation all summer long. Come take a look today at all Habersham has to offer, just 20 minutes to Greenville or Clemson, and in the midst of the Upstate's lakes and mountains!
