Description of property at 6003 Thicket Lane:

The Seville is a stunning and spacious 3,954 square foot, two-story floor plan, with customizable space options for you and your family. The craftsman styled columned front porch and grid windows immediately captures your eyes on this house. Right through the front door you will enter a grand, two-story foyer with a dining room and a flex room, perfect for an office or formal living space, located off it. As you continue, you will enter the open layout family room, kitchen and breakfast area. The kitchen offers a large double island and bar, granite counter tops, stainless steel appliances and a corner pantry. In the back, located off the family room, sits a bedroom with a connected bathroom. The additional 4 bedrooms, 3 bathrooms, media room, and laundry room are located on the second level. The primary bedroom features a large primary bathroom that includes a double vanity and separate garden tub and shower. Also connected to the bathroom is the oversized walk in closet, which includes 2 attic access's, allowing for optimal and easy storage space. The media room is great for more customizable space to fit the perfect needs for your family. This house has everything you need to make you feel right at home!
