Description of property at 414 Isaqueena Drive:

For Sale! Presenting 414 Isaqueena Drive in Greer SC. This stunning home is nestled on a quiet street in the Jamestown Estates neighborhood. Style and function combine to create a beautiful home that is move-in ready. It shows like new! Rustic cedar columns and 8' arched wood doors welcome you into the home. The high-end appointments abound from the foyer's gleaming marble floors to the finished in place hardwoods floors throughout the main living areas. An elegant, 12' coffered ceiling draws your attention to the wall of custom windows that surround the french doors providing a great view of the backyard. Custom built-ins are a tastefully addition to the great room. The kitchen is a chefs dream with upgraded appliances, beautiful herringbone pattern back splash with beveled tile and upgraded cabinets and counters. A walk-in kitchen pantry gives added storage. Great under cabinet lighting complete the look. The breakfast nook is the perfect place for your early morning coffee. The dining room with barn door doubles as an office for the current owners. Just off the foyer is the guest half bath with gorgeous mosaic tile floor, wainscot and pedestal sink. Enjoy the spa like retreat of the master bedroom and bath. The hardwoods continue in the spacious master bedroom with a trey ceiling and views of the backyard. A frosted glass barn door welcomes you into your private bath with an elongated double sink vanity, quartz counter, deep soaking tub, enlarged tile shower with glass surround and frameless shower door. The attractive marble floors make this bath extra special. The large walk-in closet allows you to fully organize your wardrobe. The main level includes two guest bedrooms and a full guest bath with quartz counter. Coming in from the garage is a drop zone with coat close and the laundry room with utility sink. Wood tread stairs take you up to the family room with built in bar with sink. A large bedroom and full bath makes this perfect for guests. This bedroom has a workout area with rubber flooring. There is also walk in attic storage for all your holiday decorations. This home has been impeccably maintained. Custom Hunter Douglas sheer window shades are throughout the home. Careful attention to detail went into the selections made for this home. Beautiful crown molding, and designer light fixtures - fans create the classic look. While the interior is exquisite, the exterior is phenomenal. The french doors open to a large, vaulted ceiling deck with natural gas fireplace. Natural gas stub out for your grill with granite counters and room for a refrigerator makes this the perfect entertaining area. Look forward to watching the game on the flat screen tv and turning on the heater for those cool fall nights. The back yard is a park like setting with walkways, a lighted fountain, a 30' golf putting green, a horseshoe pit, and an area just waiting for a bonfire. There is a workshop shed with power and lights. The yard is fenced with black aluminum and privacy fencing. The artfully done landscaping makes you feel as if you are in an arboretum. Landscape lighting creates a feeling of peace and tranquility. Specimen bushes and trees are artfully placed and there is a

large area to add a pool. If you love the outdoors, you will love this home.
