Description of property at 129 Brady Drive:

Welcome to the lake! If you are looking for a flat lot, covered slip dock, concrete cart path that leads to a wide open view, access to big water and good depth. This is your new lake house. The current owners added two bedrooms upstairs, a large full bath, a huge sunroom overlooking the lake and updated every surface in the existing house. The sunroom, kitchen/dining room are all connected to provide the perfect spot for afternoon gathering for the whole family, games in the evening or just relaxation. The cove is wide and has good deep water so when you need, there is plenty of room to move the dock out and have ample water for boating and swimming. The house is located just around the corner from Big Water Marina so getting gas or going for a quick boat ride to grab a bite is a breeze from here. If you are looking for move in ready, updated low maintenance home on the lake, look no further. This is it!
