Description of property at 102 Millsboro Court:

Say hello to this home at 102 Millsboro! This single story home has the right amount of space with a few rarely found (but often desired) surprises! The living room features true hardwood floors and is located central to all bedrooms as well as the kitchen and eating area! While a wall separates the living room from the kitchen, there's an opening to be able to see into each of the spaces. The kitchen has been updated since its original construction and has bright white cabinets and stainless steel appliances. There's also a laundry room located just off the kitchen which is the ideal utility space! The primary bedroom has a private bathroom located on one side of the house, and there are two additional bedrooms and a full bathroom located on the opposite side of the house. ONE OF THE BEST features of this home is the covered porch that overlooks the private backyard - a half acre property with a leeland cypress tree buffer that's located at the end of a cul de sac - privacy awaits! The tall crawl space is easily accessible. The home has been professionally inspected; report is available in Agent documents.
