Description of property at 7011 Fairview Falls Drive:

The welcoming front porch, warm exterior vinyl colors, and exterior stone will catch your eye. As you enter, you'll find a bedroom and full bathroom for guests or a perfect place for a home office. The open-concept space connecting the kitchen, dining, and living area is perfect for gatherings with friends and family. The luxury vinyl plank flooring can be seen throughout the downstairs. The chef in the family will appreciate the gas appliances, granite countertops, and shaker-style cabinetry. The kitchen leads to a large wooded backyard that offers plenty of privacy. Upstairs, you'll find a spacious loft. All three secondary bedrooms have ample closet space and share a bathroom with upgrades such as dual sinks and quartz countertops. The primary suite is sure to become your oasis with a large five-foot shower, dual sinks with a quartz countertop, and plenty of storage. Come to Fairview Falls today to see this home!
