Description of property at 3435 Oneal Church Road:

Welcome to O'Neal Village, where life feels a little lighter, and the mountains greet you every morning. Nestled between two peaceful lakes, just minutes from their boat ramps, this isn't just a neighborhood—it's a community thoughtfully designed for connection. With a dog park, playground, gym, pool, and a charming town square featuring a coffee roaster, fine dining, daycare, and a salon, this village is full of life. And the neighbors? They're the kind of people who make saying goodbye the hardest part. This beautiful home sits on a rare double lot at the edge of the neighborhood, offering a perfect blend of privacy and convenience. It's built for comfort and peace of mind, with hardy plank siding, architectural shingles, underground utilities, and fiber internet. A two-car garage and a state-of-the-art security system ensure you're well-equipped, but it's the screened-in porch with breathtaking sunrise views that really sets the tone for serene mornings. With the backyard enclosed in a beautiful commercial-style aluminum black fence, your furry friends or children can run freely, giving you complete peace of mind. Inside, you'll find the kind of thoughtful details that make every day feel special. The kitchen features sleek stainless steel appliances, a gas stove for the home chef, and a tankless water heater to ensure you never run out of hot water. A bar with seating for three creates the perfect space for casual mornings or evenings spent catching up with loved ones. From formal dinners in the dining room to relaxed breakfasts in the nook with its miles-long views, this home is designed to bring people together. The living room boasts a stunning 10-foot tray ceiling and a cozy gas log fireplace, making it both elegant and inviting. Granite countertops, a subway tile backsplash, and light-filled rooms add to the home's fresh, modern appeal. Light-colored LVP flooring runs throughout the home, with tile in the bathrooms and laundry room, and soft carpet in the bedrooms. The master suite is a peaceful retreat, complete with a spa-like bathroom and a spacious walk-in closet, all under another beautiful 10-foot tray ceiling. Two more spacious bedrooms and a full bath complete the main floor, while upstairs, an additional room with its own full bath offers versatility as an additional master suite, guest room, rec room, or creative space. Working from home? You'll love the bright office, filled with natural light and featuring French doors for added privacy. The laundry room, conveniently located by the garage entrance, offers ample storage, a bench, and a coat rack to keep everything tidy. This isn't just a house—it's a home where memories will be made, nestled in the heart of South Carolina's most beautiful countryside. Cozy, clean, and well-appointed, this home is ready to welcome you into your next chapter.
