Description of property at 2570 Marsh Creek Drive:

Absolutely stunning brick home on a .62 acre lot overlooking the marsh. Pride of ownership shows by the original homeowners. The first floor includes a formal living room, dining room, family room with a gas log fireplace, half bath, laundry room and of course an amazing kitchen with updated cabinets and quartz countertops. These rooms all have beautiful hardwood floors. A delightful sunroom overlooks the gorgeous backyard. Upstairs you will find a spacious master BR with the most amazing walk-in closet you have ever seen. There is also a closet for him too! The master bath is nice and bright with a large counter area and dual sinks, a jacuzzi tub and a separate shower. There are 2 more sizeable bedrooms with a fabulous jack and jill bath between them. The huge FROG can be the 4th BR Game room, office, or a comfortable media room. The window panes were replaced in 2020 with high impact glass. The home has big 2 car attached garage AND an enormous 2 car detached garage tall enough for a boat which is perfect for this Boating community. Over the detached garage is a full living space for in-laws, visitors, man cave, or teen hangout. It is complete with a living room, kitchen, full bath (3rd bath) and a bedroom which is the 5th BR. This retreat/ is also powered by a Generac in case of power loss. Enjoy time with family and friends as you prepare meals at your outside kitchen which includes a gas cooktop and an electric oven. You can relax in the backyard on your shady patio or your sunny deck, which has just been stained. The neighborhood is so friendly and there are many holiday functions down at the gazebo by the Ashley River. There is a boat landing, parking places, and community dock exclusively for the Ashland Plantation homeowners. The HOA fee is VERY reasonable.
