Description of property at 4427 Marblehead Lane:

Welcome to Mixson, where a low maintenance lifestyle meets modern conveniences. This end unit townhome is well appointed and has many upgrades throughout. Built in 2018 by New Leaf builders, the buyer opted for many upgrades that were not standard like shiplap throughout the main living space, Silestone countertops, frameless glass shower for the master bathroom, tiled master bathroom, quartz vanities in bathrooms, and LVP throughout the home. This home is located only minutes from all the attractions that make North Charleston great like all the breweries and Riverfront Park. Its only minutes from Downtown Charleston as well. This home is a truly great opportunity to own a home in the center of all the action, and these homes do not come on the market often, come see it! If interested, all the furniture is available for purchase as well on a separate bill of sale. Please ask the agent for more information. Membership information for Paradiso is found in the agent notes. Pool, shops, gym, and restaurant are all part of the amenities that you can become a part of.
