Description of property at 323 Wendover Ct.:

Beautifully appointed!! Your jaw is going to drop when you see this one. PURE EYE CANDY!!! Everything has been renovated in this one! Nothing has gone untouched. And the finishing touches... WOW! White oak wide-plank LVP floors in main areas and bedrooms; tile in the bathrooms. The kitchen features new cabinets, stone quartz counters with an immensely extended island, stainless steel appliances and a beverage bar that includes a wine chiller. You'll discover plantation shutters and craftsman style doors throughout, while coffered ceilings dress up the living room beautifully. Each bathroom has been fully renovated with new vanities, fixtures, lighting, stone countertops and both with walk-in showers. All this and professionally decorated in a beautiful, soft California coastal palette that easily flows from room to room. Windsor Court is a very popular community with five buildings, all encircling a pool. Very much a "resort feel" from your comfortable screened porch. Kingston Plantation is a 145-acre, master planned community in the heart of Myrtle Beach. Kingston offers a combination of amenities and preserved natural environment that's unparalleled. One-half mile of white sand beach, twelve acres of freshwater lakes and mature trees, all surrounded by beautifully manicured grounds. The Plantation offers amenities such as a magnificent Spa and Fitness Center, four clay and hard surface tennis courts, four pickleball courts, multiple pools, badminton, croquet, beach volleyball and much more! Kingston offers a selection of one, two, three and four bedroom villas, townhomes, lakefront lodges and oceanfront high-rises through the community. Some resort amenities are only available thru the Hilton on-site rental program.
