Description of property at 6000 Windsor Green Way:

Welcome to your new sanctuary in this hidden gem at the back of the neighborhood. This spacious condo is so well-secluded, it might just be the best-kept secret in town. Start your mornings with the luxury of enjoying views of the Wizard Golf Course from both the primary bedroom and your screened-in porch. Imagine sipping your coffee while watching the golfers try to conquer the course, all while you're in your PJs. If golf isn't your thing, the primary bedroom and the screened-in porch also offers serene pond views. And don't worry, the ducks are friendly and the occasional swan might make you feel like you're living in a fairy tale. Inside, the condo has been updated with brand-new appliances that are only a year old—perfect for those who are passionate about cooking without the smell of “pre-loved” equipment. The new paint and flooring will make you feel like you're living in a Pinterest board. Plus, a new storm/screen door means you can let in those delightful coastal breezes while keeping out the occasional nosy neighbor or overly curious squirrel. This isn't just a condo; it's your personal retreat from the chaos of the outside world. Embrace the serenity, enjoy the views, and make every day feel like a vacation! Priced to sell!
