Please do not enter home as it may be unsafe due to it being vacant for a number of years and not having floor boards in parts of the house. Home and land included on a 1.01 acre piece of land in a beautiful natural serene setting. From the one picture no evidence of flooding in the room that has floors, walls and ceiling. The shell to this home is already here, property is in need of substantial repairs but with sweat equity this can be a great opportunity for the right person.
