**Description of property at 6082 Highmarket St.:**

This equestrian property is just outside of Georgetown on Highway 521 near 8 Oaks Park. Central to the property is the main house, connected to a large mother-in-law suite via a mud room/laundry room. The main house has 3 bedrooms, and share a hall bathroom. The suite has its own bedroom and bathroom, as well as a large living area and wide front porch. The porch overlooks a fenced yard, and connects to a private carport. The property totals 30 acres, nearly half of which are wooded. Approximately four acres are used for pastures, though additional land could allow for more horse turn out. Pastures include run in sheds, and irrigation is connected to all pastures for water. Behind the house is the barn, a center aisle with multiple stalls, a tack room, and a wash rack. Behind the barn is a large equipment shed with plenty of room for farm and equine equipment. If that's not enough, the property also includes an above ground pool surrounded by a large deck. This is an incredibly unique property with so much to offer! There is nothing quite like this in the area, especially at this price.
