Description of property at 4856 Bermuda Way N:

Welcome to 4856 Bermuda Way, a stunning home nestled in the highly desirable community of The Park in Myrtle Beach proper. This location offers unparalleled convenience and is located near the stunning "Golden Mile" section of the beautiful and pristine beaches here in Myrtle Beach. This home is located minutes from hospitals, medical facilities, a wide array of restaurants, premier entertainment at Broadway at the Beach, the beautiful shores of Myrtle Beach, and top golf courses like Pine Lakes and Myrtlewood. This meticulously maintained property was originally purchased to be the homeowner's forever home, but they are now relocating out of the area. During their time here, they made numerous high-quality improvements, including professional interior painting, new flooring throughout, and a new HVAC system installed in 2021. All windows feature UV-reflective film, and the kitchen has been completely remodeled with All plywood KraftMaid cabinetry, with self close doors and drawers, and full roll out trays in all base cabinets, quartz countertops in kitchen with an addition of 5 ft center island, stainless steel appliances with a Dual Fuel range with gas cooktop with electric oven and a custom artisan tile backsplash. A vent-free gas log fireplace with a custom stack stone surround adds warmth and style to the living area. Additional upgrades include new hurricane storm shutters installed in 2023 and an insulated, hurricane-rated garage door added in 2024. The exterior is equally impressive, with enhanced grading, upgraded landscaping, irrigation improvements, and beautiful perennials, trees, and plants throughout the yard. Enjoy complete privacy in the fully fenced backyard—perfect for relaxation or entertaining. The Park is a quiet, exclusive community with minimal traffic, yet offers easy access to 48th Ave North and Grissom Parkway, providing quick routes up and down the Grand Strand.
