

CHARLESTON, SOUTH CAROLINA

By and For This Community's Neighbors

Daniel Island is a thriving town located within the city of Charleston, South Carolina.

Its residents and businesses are proud of their small town, and recognize they are part of a much larger and diverse community.

The area surrounding Daniel Island is expansive and rich in history, but many of these Lowcountry neighbors have needs that are often left unaddressed by traditional funding resources.

The Daniel Island Community Fund was established in 2000 with the mission of providing funding for civic and social programs supporting Daniel Island and its greater geographic community including Thomas Island, Huger, Wando and the Cainhoy Peninsula.

Resources are granted only to legitimate and accountable organizations that support the following community-enhancement categories:

Our Community's Future • Our Community's Enrichment • Our Community's Health and Welfare • Our Community's Culture

Neighbor to Neighbor: The Daniel Island Community Fund

- An island-led initiative that identifies opportunities and distributes resources for agencies supporting its surrounding neighbors.
- A private 501(C)4 that is financially supported by community enhancement fees from sales of existing Daniel Island homes, homesites and commercial properties and from interest collected from escrow accounts.
- Individuals and businesses who wish to support the Fund may contribute to the Daniel Island Community Foundation, a 501(C)3 that provides additional financial support for the Fund.
- An all-volunteer Board of Directors oversees the Community Fund's strict application, review and allocation process.

The Fund has recently supported the following service organizations:

CAINHOY ELEMENTARY AND MIDDLE SCHOOLS – *Provided funding for purchase of much needed classroom supplies*
TRIDENT AREA BOYS AND GIRLS CLUBS – *Initiated and supported after school programs at Cainhoy Elementary/Middle School*
UNITED METHODIST RELIEF FUND – *Provided funding for housing assistance to two families on St. Thomas Island*
JUNIOR ACHIEVEMENT – *Initiated and supported a program at Cainhoy Elementary/Middle School*

I have read the above information about the mission of the Daniel Island Community Fund (DICF) and understand that as a purchaser of resale property on Daniel Island, I will be required to pay a neighborhood enhancement fee upon closing that will contribute to the DICF's financial resources. I understand that this transfer fee is ¼% for properties in Etiwan Park and Codner's Ferry Park and ½% for properties in all other areas within Daniel Island.
